Hi all,

Attached are the comments that NARF submitted on the Impact Summary Table released at the last meeting. Because we submitted them somewhat later than the initial deadline (okayed by the Corps), they weren't uploaded to the extranet with the rest, and we wanted to be sure that you all got a hold of them.

Thanks,

Shay

Dear Mr. Berkner,

The Native Village of Tyonek's comments on the Impact Summary Table that was released at the July 8, 2015 Cooperating Agency Meeting are attached. We appreciate the opportunity to comment, and look forward to reviewing the next stages of the SEIS process.

Sincerely,

Shay Elbaum
